Meri Kirihi mete, Ngāti Toa School Whānau!

As we come to the end of 2024, it's a great time to reflect on what has been an incredible year for our school. One of the biggest highlights has been welcoming our first group of Year 7 students. They've been amazing at helping us shape and refine our intermediate curriculum, laying the foundation for something truly special for the years ahead. Next year we grow our intermediate class to include both Year 8 and Year 7 and the name of our intermediate roopu is "Te Manukura Toa."

Our school continues to grow and it's been wonderful to see the achievements of our tamariki across so many areas—whether it's their learning in the classroom, success in sports, creativity in the arts or their pride in kapa haka. These accomplishments are a testament to their hard work, as well as the love and support they receive from you, their whānau.

To our Year 6 students who are moving on to intermediate schools next year, we wish you all the best as you start this exciting new chapter. We know you'll do amazing things! To the whānau who are leaving us this year as well, we want to say a huge thank you for all your support over the years—it has meant so much to us.

As the holiday season begins, we hope you get to enjoy some well-deserved rest and quality time with your loved ones. Thank you for being such an important part of our school community and for making 2024 such a successful and special year.

Kia pai tō hararei, kia haumaru, kia harikoa tonu, ngā mihi o te wā
