## **Kathleen's Kōrero**

*Kia ora e te whānau*

*As winter gets colder and Matariki starts shining in the sky, it's a special time for our family to come together and celebrate nature, people, and our loved ones. Our kura wants to invite all our families to join us in celebrating the children. Our students will be sharing stories, waiata, and works of art based on how our tupuna used the stars, moon and the skies to find their way, and how this connects to our own learning journeys.*

*Then to continue with our Matariki celebrations, in term 3 we would love our whānau to join us at our Matariki dinner on Wednesday 19th July @ 6pm. Nau mai haere mai!*

*Mānawa maiea te putunga o Matariki  
Mānawa maiea te ariki o te rangi  
Mānawa maiea te Mātahi o te Tau  
Whano, whano  
Haramai te toki ata huakirangi

*Ka pai tō koutou hararei, tamariki mā - Kathleen*

### Frequently Asked Questions

#### Do I need to book an appointment with my pharmacist?

All pharmacies will provide advice to people as they walk-in, however for these minor health conditions you may need some dedicated time and attention. To support this, pharmacies may offer a booking service for a consultation. Visit [Healthpoint.co.nz](http://Healthpoint.co.nz) for more detail.

#### What happens if I have a different condition?

After talking with a healthcare professional at your local pharmacy, you may be advised of medicine options to treat your condition or you may be referred to your GP or healthcare provider. You can also call Healthline anytime on 0800 611 116 for free general health advice and information. If it's a medical emergency, call 111.

#### How do I prove my eligibility?

A healthcare professional at your local pharmacy will be able to confirm your eligibility such as age and ethnicity, through your National Health Index (NHI). There is no requirement for people to provide proof for Community Service Card (CSC) status.

#### Can I still see a pharmacist if I don't meet the eligibility criteria?

Yes, a healthcare professional at your local pharmacy will be able to provide you with advice about your health condition, over-the-counter medicine options to treat your condition, or advice on whether you should see your GP or healthcare provider.
