## **Kathleen's Kōrero**

*Kia ora e te whānau*

*Term two has got off to a roaring start with both the senior school and junior school already experiencing learning outside of the classroom - at Pataka and at Plimmerton Beach.*

*This week has been super exciting with whānau and class teachers coming together to develop mauri ora plans for our students. We have valued this opportunity to have time and space to learn more about our tamariki, listening to their voices and being strongly backed by the support of their whānau.*

*I also want to acknowledge our kaiako. It has been a super long week but I know we will all agree that these plans are taonga! - he mihinui ki a koutou katoa!*

*Ka nui te mihi ki a koutou katoa,*

*Kathleen*
