Kathleen's Kōrero

Kia ora e te whānau

Last week our international languages week was a super hit for our students and their whānau. It was uplifting to see the pride in our students faces as they shared their culture and food with each other. Reading students' reflections told us that our students loved hearing about where their classmates come from and were super interested to learn more about these other countries. Kei te poho kereru a mātou ki a tātou.

At the end of this term I am travelling to the UK to attend three international conferences. This incredible opportunity has been made possible through the Principal Wellbeing Fund, which all schools have received as part of our principal contract agreements. This fund is specifically designed to support school principals by providing access to professional development, coaching and support during the 2023 and 2024 years.

I look forward to sharing the insights and knowledge gained from these conferences with our staff and school community on my return.

During my absence the school will be in the capable hands of our stunning leadership team.

Ka nui te mihi ki a koutou katoa,

Kathleen
